Summary

Detail-oriented Computer Science graduate (Rank 1, B.Sc. CS – 9.07 CGPA; MCA in progress – 8.58 CGPA) skilled in **.NET, SQL, Azure, Python, and Machine Learning**. Hands-on experience in building data-driven projects, dashboards, and predictive models. Completed industry-recognized simulations with Deloitte and TCS, demonstrating problem-solving skills and ability to deliver business-ready solutions.

Experience

Deloitte Australia – Data Analytics Simulation (Forage) | June 2025

- Analyzed client datasets to detect irregular transactions and fraud patterns.
- Built an interactive Tableau dashboard for risk assessment.
- Applied Excel and SQL for classification and summarization.

Tata Consultancy Services – Data Visualization Simulation (Forage) | August 2024

- Developed Power BI dashboards for retail client case study.
- Presented key performance metrics and guided stakeholder questions.

Technical Skills

- **Programming & Frameworks:** .NET (basic), Python (Pandas, NumPy, Scikit-learn), C++, R.
- **Databases:** SQL, MySQL, RDBMS concepts.
- **Cloud:** Microsoft Azure (fundamentals, data services), Docker.
- **Data Visualization & BI:** Power BI, Tableau, Streamlit.
- **Machine Learning:** Data preprocessing, regression/classification, predictive modeling.
- **Productivity Tools:** Excel (advanced), Jupyter Notebook (Advanced).

Achievements

- Secured Rank 1 in B.Sc. Computer Science at Moolji Jaitha College, Jalgaon.
- Academic excellence: Completed **Graduation (B.Sc.)** with *Distinction* and **MCA – 1st Year** with First class.

Projects

Stock Market Performance Analyzer (Python, Streamlit, ML)

- Performed EDA on 10+ years of stock data; implemented moving averages & forecasting.
- Delivered interactive dashboards using Pandas, NumPy, Matplotlib.
- Integrated ML modules for trend prediction.

Walmart Sales Dashboard (SQL + Power BI)

- Cleaned and modeled large sales datasets using SQL.
- Built dashboards with advanced charts, slicers, and KPIs.
- Automated reporting, reducing manual work significantly.

Education

SOCS KBC North Maharashtra University, Jalgaon

MCA – Computer Applications (2024 – 2026, Pursuing) | CGPA: 8.58 / 10 (First year)

Moolji Jaitha College, Jalgaon

B.Sc. – Computer Science (2021 – 2024) | CGPA: 9.07 / 10

Certifications

- SQL (Intermediate) – OneRoadmap
- Data Analytics Using Power BI – Tech Tip24
- Introduction to Python – Learntube
